19th Annual

Dairyville Orchard Festival

A celebration of our community

Saturday, October 15, 2016 · Lassen View Elementary School

Summer, 2016

Dear Friend,

It is with great pleasure that we invite you to join us at the **19th Annual Dairyville Orchard Festival** which will be held on **Saturday, October 15, 2016** at Lassen View Elementary School. The Festival is a family-friendly event celebrating our abundant local agriculture, the academic achievements of area students, and our outstanding Dairyville community pride. This year our event will feature fresh, locally grown agricultural products including pecans, walnuts, almonds, dried plums, pistachios, and olives, to name a few. Olive oils, vinegars, chocolate dipped prunes, seasoned nuts and variety of other items will also be available. Come and see the entries submitted for the Tehama County Farm Bureau's Giant Pumpkin Contest. There will be activities for everyone including: the Lil' Farmer's Corner children's activity area; live musical entertainment; a variety of booths where vendors will be selling handmade arts and crafts; and community service booths. Stop by our ag education area to learn about and test your knowledge of local agriculture. While at the Festival, be sure to stop by the food court and try some of our delicious meals and a cold drink!

Each year the Festival Organizing Committee is inspired by the generous outpouring of support from our community, our sponsors and the many volunteers who all contribute to the success of the Festival. We could not put on these events year after year without everyone's participation; whether that be through a financial, time, talents, expertise, materials or a skills donation. We all continue to be astonished by the generosity and enthusiasm of local individuals and businesses.

We hope that you will partner with us this year as a Festival Sponsor. We appreciate your help, the community appreciates your support, and the students reap the benefits from the scholarships that we are able to provide.

We have awarded \$198,400 in college scholarships to date!

We sincerely appreciate the contributions of each and every one of our Sponsors to ensure the quality and success of the Dairyville Orchard Festival. Your donation is a multi-faceted investment:

- ***Tehama County high school graduates benefit from the financial support that is provided for their college educations***
- ***The public is given an opportunity to learn about and purchase local agricultural commodities***
- ***The community-at-large is provided with an opportunity to volunteer their time and express their community pride***

We hope that you will become a Friend of the Festival this year!

The Dairyville Community Club, Inc. is a non-profit organization and all Festival donations are used to fund the Festival and scholarships. Sponsors receive recognition at the Orchard Festival as well as on our website, on a large sponsorship sign located on Highway 99E, in our community newsletters, and at the Festival. The highway sign remains in view for three months, starting in mid-August. I encourage you to visit our website at www.dairyvillefestival.org and click on the **Scholarship Recipients** tab to find out more about the scholarship funds that have been awarded to date.

We hope to see you at the Festival on October 15th at Lassen View Elementary School. Your support is what provides our community with the resources to organize and host these wonderful family events. If you have any questions, I can be reached by e-mail at info@dairyvillefestival.org or by phone at (530) 384-2883. We look forward to hearing from you!

Sincerely,

Becky Calkins and the Dairyville Orchard Festival Committee
