

DEAR DAIRYVILLE

KEEPING THE COMMUNITY INFORMED

DECEMBER, 2012 ISSUE

From Our President's Desk

It's hard to believe that December is almost here. This time of year, at the cusp between fall and winter, is a time for giving thanks. Thanks for our community, our family, and our friends, and thanks for the bounty of the year's harvest. On a more local note, thanks also to everyone who helped make this year's Orchard Festival a success. The generosity of our sponsors, the hard work of our dedicated club members, and the outstanding support from our entire community have once again made the Festival a big hit. As always, Festival revenues make it possible for us to offer Dairyville Community Club scholarships to deserving students in our area, which gives each year's Festival - and those who participate - a legacy that lasts much longer than just one year.

The Club's annual Christmas dinner is a different kind of treat. The Dinner gives the entire Dairyville community a chance to get together and celebrate the holidays with friends and neighbors. In our busy world, we sometimes go months without seeing those who live closest to us, and the holiday season is our time to reconnect. So please, join us at the Christmas dinner on December 4th at Lassen View Elementary School for one of those special events that makes our community so wonderful.

Finally, please don't forget to renew your Club membership if it is due. Your support makes the Club and all of its good works possible. Thank you, and have a joyful holiday!

Arthur Wylene, President

'Tis the Season to Celebrate With Us!

The Annual Dairyville Community Club, Inc. Christmas Dinner will be held on Tuesday, December 4, 2012 at 6:30p.m. The event will take place at Lassen View Elementary School in the cafeteria. The dinner is free for all Community Club members. The price for non-members is \$5 for adults and \$3 for children ages 12 and under.

Come and enjoy a delicious turkey dinner with all of the trimmings prepared by fellow community members. The Community Club will provide roasted turkey, mashed potatoes, gravy, stuffing and the beverages. Each individual member or family is asked to bring a salad, vegetable, or dessert (enough to feed at least 12) which will be served potluck for all of the dinner guests. Please be sure to bring plates and silverware for your family and your guests.

The Christmas Dinner is always a great place to visit with family, friends and neighbors. It is also a time when we are able to welcome new community members. Santa will make a special appearance following dinner.

We look forward to seeing you there!

Officer Vacancy

The Community Club officer position of Vice-President of Activities has been vacant for a year now. What this means to all of us is that we may not be able to continue having the annual Pancake Breakfast and Christmas Dinner unless someone comes forward to fill this vacancy. Out of necessity, Hal Crain and his family hosted the Pancake Breakfast this year and Festival Committee members and DCC officers will be hosting the Christmas Dinner.

Plain and simply, WE NEED YOUR HELP. The Vice-Presidency position responsibilities include attending the officer meetings, organizing and delegating Pancake Breakfast and Christmas Dinner tasks, and writing articles for the newsletter regarding the two events. We have procedure books and past & present officers to assist you with both events. There are always plenty of people that want to help, we just need someone to organize and oversee these events.

If you are interested or want additional information, please send an e-mail or a letter to the Community Club, or speak with one of the officers listed on the front of your newsletter. We look forward to working with you!

15th Annual Dairyville Orchard Festival

THANK YOU all who attended and supported, and volunteered at the 2012 Dairyville Orchard Festival!! The day was a wonderful success; the weather was perfect, the crowd plentiful, happy, and so many amazing sights to see. I hope you got to the DCC Marketplace (ag store) early enough to stock up on freshly harvested walnuts, almonds, prunes, and pistachios, as well as unique prune products and olive oils. The vendors offered a wonderful array of handmade wares that caught our eye! The entertainment was amazing as well as the antique tractors and the modern orchard equipment. The morning fun run was well attended and the diaper derby was won by, super crawler Vann Arnold! Local chef and DCC scholarship recipient, Jadda Miller provided cooking demonstrations, a welcomed new addition to the Festival this year. The newest addition to the festival was cooking demonstrations by local chef and DCC scholarship winner Jadda Miller. Her style of food preparation was amazing and her recipes using local ingredients were delicious!

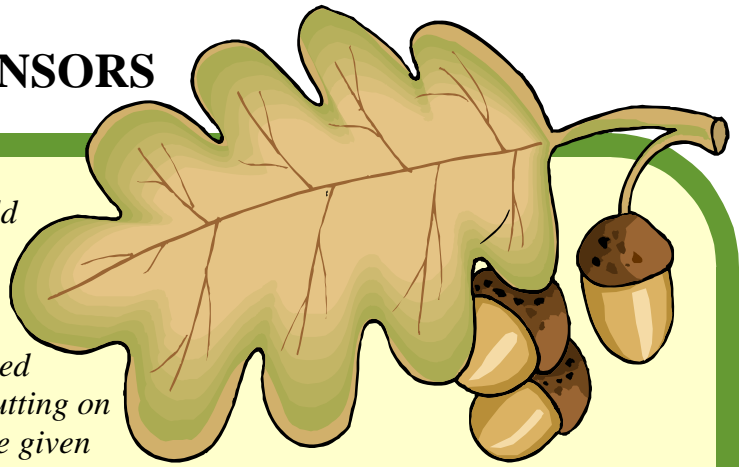

The day is an astounding accumulation of many, many hands coming together to create a community tradition. The festival just celebrated its 15th year, so for many the festival has always been a part of their life, many these young individuals return home just to be able to attend the festival!

The exact amount of scholarship funds to be designated to this year's recipients is still being decided, but for sure we will be allocating significant funds to local students pursuing higher education. And for that opportunity to fund educational dreams we thank you! \$126,000 and counting!!

We will resume our planning meetings for the 16th annual Dairyville Orchard Festival, next spring. We look forward to welcoming new faces to the committee and getting a wonderful festival underway. We will post the meetings date on our Facebook page as well as our website. Thank you again for your support!!

Marcie Skelton, Festival Chairperson

Thank You Silent Auction & Raffle Prize Donors

We live in an amazing community. Year after year, businesses and individuals contribute merchandise, gift baskets, and gift certificates for our Festival Silent Auction & Raffle. We know that those who give are asked to donate to this and other causes many times each year. We are aware of that fact and that is what makes these and the cash, goods & services sponsors so very special to us. They support our scholarship fundraising efforts and generously choose to contribute to the Festival.

We would like to extend our most sincere thanks to all of them! With their ongoing help we will be able to continue to award tens of thousands of dollars in scholarships to local students for many years to come.
