

DEAR DAIRYVILLE

KEEPING THE COMMUNITY INFORMED

OCTOBER, 2012 ISSUE

From Our President's Desk

Wow, it's September already! The year is going by in a flash. In upstate New York, where I grew up, it's already the middle of autumn, with the cold temperatures setting in, and the leaves changing color and falling off the trees. Here in fortunate Tehama County, the signs of fall are more subtle. School is starting up, the roads are full of trucks carrying harvesting equipment - and, of course, the Dairyville Orchard Festival is here again.

The Festival wouldn't be possible without the hard work of so many dedicated people. The Dairyville Community Club's Festival Committee starts its work many months in advance, lining up the vendors and planning the activities that make the Festival so much fun for all of us. But that's just the beginning. Our sponsors make generous donations throughout the year, without which the Festival would not be possible. We appreciate their contributions, but more than that we appreciate the continuous show of support, year after year, from so many people in our community. We also couldn't do it without the support of the Lassen View School, which provides a home for us on Festival day, and for many other community events year-round. On the Festival day itself, there are the volunteers, who staff the booths, answer questions, and literally put the Festival together from the ground up.

Most important, of course, are all of the people from Dairyville and beyond who join us as guests at the Festival. We hope to provide you with a fun experience for the entire family, and you provide us with the opportunity to show off what we love about our community. Your support has made the Festival a success for fifteen years, and allowed the Dairyville Community Club to award \$126,000 in scholarships to deserving local students.

This year's Festival will be really special, with an antique tractors and engines parade, a petting zoo and pony rides, live entertainment and music, the Lil' Farmer's Corner for the kids, and lots of local agricultural products to sample. Dairyville's famous chocolate-dipped prunes will also be available. We look forward to seeing you there on October 20th!

Arthur Wylene, President

Join Us At The 15th Annual Dairyville Orchard Festival

Hi everyone! I hope you are enjoying the start of fall as much as I am. Fall has always been a special time of year for me. The colors, smells, and the harvest, have always enchanted my senses. To add to that, I now also look forward to my children's soccer games, all the October birthdays in my house and of course the Dairyville Orchard Festival.

The committee began meetings in April and with everyone's momentum, the wheels began moving and all the components have now come together. There are even a few members of the original committee still involved and many new ones as well. But in all honesty there is an urgent need for more community involvement in order to make this event a reality for years to come. The old saying of many hands makes light work is still so appropriate. Please come up to any committee member at the Festival and let us know you are ready to help! We truly need you! Or, if you are ready to lend a hand right now email me at marcieskelton@sbcglobal.net or call me at 526-5403!

New this year to the Festival will be cooking demonstrations! A local chef and 2012 scholarship winner, Jadda Miller, will be showcasing her tasty creations using the products available at the festival's ag store. We hope that it will inspire you to taste something new and maybe even pick up the ingredients to try it out yourself at home. Please come to see and taste what she creates!

Many vendors will be present to display their wares. Your favorites are coming back as well as new vendors with their creations. I am continually amazed at the local talent and impressed at the craftsmanship exhibited. Don't forget, it is never too early to start your Christmas shopping, so come ready to shop.

I sincerely hope to see you at the Festival, on October

A New Way to Stay Up To Date

The word of technology is constantly changing; we are always being shown ways to do things in a format we never even dreamed was possible. The committee has decided to embrace the idea of social media as another tool in our advertising toolbox. You can now find the Dairyville Orchard Festival on Facebook. We hope that you will "like" us and "share" the posts in order to help spread the word about this amazing organization that has distributed \$126,000 in scholarship funds in only 14 years! We will be using the Facebook page to highlight fun festival facts, share pictures in real time, keep in contact with past scholarship recipients and to spread the word about our amazing little community doing such big things! Look us up at <http://www.facebook.com/DairyvilleOrchardFestival>

S.H.A.R.E.S. Update

The Dairyville Community Club, Inc. has received a total of **\$2503.22** from the S.H.A.R.E.S. Program since May of 2010, according to Mary Christensen, our Club Treasurer. The money is used exclusively for college scholarships.

The way the program works is: The company that owns Save Mart, S-Mart, Food Maxx and Lucky supermarkets gives a 3% donation to the Community Club for every dollar that is spent at one of their grocery stores. Cardholders simply ask the cashier to swipe their S.H.A.R.E.S. card before they pay for their groceries and the DCC receives credits.

We would like to take this opportunity to thank all of you who have been using your card. Keep up the good work! The Scholarship Fund grows every time you use your card!
